

New Era Golf

Attn: New Era Members

We wanted to send a reminder regarding your GHIN handicap for 2016:

The OGA Central Ohio Golf Season will open for posting on April 1st.

Members participating in Member Events MUST have an active USGA / GHIN. Handicaps can be purchased at your Home Club Pro Shop or at your Home Club's Online Store. The cost is \$35.00. Please provide your GHIN # if you are a returning Member or if you are a new Member porting your GHIN # from your previous Club.

With our first event rapidly approaching on April 23rd, we strongly encourage you to activate your GHIN on or before the April 1st date and begin posting scores immediately following the start date.

The Opening Day Event and Match Play Club Championship are both net events. The Opening Day Event will utilize the handicap index from the April 15th transmission.

We look forward to seeing you and to a great 2016 Golf Season.

Sincerely,

The NEGMGA Handicap and Tournament Committees

Handicaps can be purchased at your Home Club for \$35.00.

Click on your home course and include your GHIN# in checkout:

If you do not know your GHIN# please call your home course or search at GHIN.com
